

## Bloodshifted

Filesize: 2.89 MB

### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

## BLOODSHIFTED

St. Martin's Press. Paperback. Book Condition: New. Mass Market Paperback. 304 pages. Dimensions: 6.7in. x 4.1in. x 0.9in. Ambushed. Blindfolded. Kidnapped by vampires. Edie Spence must race against time to save herself and her baby from the nightmare that flows through her veins. As a nurse in the hospital's secret Y4 ward, Edie has seen her share of daytimers. Once-ordinary humans who've tasted vampire blood, daytimers are doomed to serve their nighttime masters. Forever. And now Edie has to face something even more horrifying: she's become one too. BLOODSHIFTED. Abducted by the vampire Raven, Edie is taken to the catacombs beneath the Catacombs, an ironically-named L. A. night club that supplies fresh blood and other favors for its vampire Masters. Edie has no intention of swapping her nurse's uniform for a cocktail dress, not when her newborn infant needs her. But if she and Asher, her shapeshifter fiancé, can figure out a way to bleed Raven's power, they may never get out of this plasma-soaked pleasure palace, undead or alive. Alexander takes her noir urban fantasy to a new level. A lively, addictive story that leaves you wanting more. RT Book Reviews on Shapeshifted. Cassie Alexander's first book about Nurse Edie Spence is dark and energetic. You'll really enjoy it; I'm looking forward to reading the others in the series. Charlaine Harris, New York Times bestselling author of the Sookie Stackhouse series. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Mass Market Paperback.
