ISAAC NEWTON S NATURAL PHILOSOPHY (HARDBACK)

MIT Press Ltd, United States, 2000. Hardback. Book Condition: New. New.. 232 x 158 mm. Language: English . Brand New Book. Newton studies have undergone radical changes in the last half-century as more of his work has been uncovered and more details of his life and intellectual context have come to light. This volume singles out two strands in recent Newton studies: the intellectual background to Newton s scientific thought and both specific and general aspects of his technical science....

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
