This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Xulon Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.I am a Great-Grandmother, Grandmother, Mother, and Wife who has had time to study the Bible. I hope to get others interested in thinking a little deeper on subjects in the Word of God. Giving samples of my studies will capture your attention and hopefully this will get you interested in a Bible Study Group at your local Church and more importantly get you to study your own Bible and not just read it. Join me as I swim out into the deeper water where Jesus walked. You will soon exercise your own Golden Fins of Faith . Looking deeper, I found that Faith is really an actual substance that God and His Angels can see when it is built by us on a certain need of our life. God sends His Angels to answer our prayer when our Faith is sufficiently built. (Meditate on Hebrews 11:1 and see for yourself. Sometimes we have to slow down and ask ourselves what a verse is actually saying. Don t rush onto the next verse.) Faith is not just knowing that God can but that He will !.
