THE BRIGHT HEART CHILDREN WORKBOOK

Haydn Anthony, United States, 2012. Paperback. Book Condition: New. Original ed.. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Bright Heart Children Workbook is the companion book to the Bright Heart Children Study Guide. This Workbook is the second half of the Bright Heart Children program - a human enrichment program teaching children the six universal principles of Courage, Compassion, Truth, Justice, Freedom, and Peace. Children are instructed to refer to the companion Study Guide when working in this Workbook. The Workbook guides children through writing and drawing lessons along with twenty-four full-page black and white story illustrations to be colored. Text pages suggest how the principles can be put to work. KAN, the wise mentor bird that appears in the Study Guide, appears again in the coloring pages. The coloring pages follow the stories in the Study Guide. When all the stories and lessons in the two books have been completed, KAN appears on the last page in his cap and gown. The student is then considered to be a Bright Heart Child joining hundreds of other children who have completed the program. Suitable for home or classroom, teachers should order one Workbook and one Study Guide per student. Suggested ages 7-8 and up.
