Brand New Book ***** Print on Demand *****.An outbreak of a disease known as the black vomit prevents the English from strengthening their hold in The New World in the eighteenth century, with huge repercussions; the untimely death of an emperor prevents Chinese and Portuguese explorers from meeting along the coast of West Africa in the fifteenth century; the most significant factor in the Spanish exploration of North America turns out not to be Spain's mighty armies or her unrivaled fleet, but the lowly mosquito. In human history, little things can make a big difference, as Samuel Wilson demonstrates in *The Emperor's Giraffe and Other Stories of Cultures in Contact*. Focusing on individuals caught by chance in pivotal times and places, Wilson explores the ways in which seemingly small decisions made during the initial contact period between two cultures have had a huge impact on the course of history. Many of the stories illustrate that, despite thousands of years of isolation, the states and empires of the Old World were remarkably similar in structure and organization to those of...
