Brand New Book ***** Print on Demand *****.Promised Valley Peace is the fourth and last novel in Ron Fritsch s Promised Valley series. Blue Sky and Wandering Star and the other conspirators and their allies from the first three novels give up on the gods, whose existence many of them doubt, and discover how to use horses in warfare. They prepare to employ them in a last battle against the die-hards led by the brutal War Cloud. The purpose of the allies is to bring the prehistoric enemy hunters and farmers together as one people in a new kingdom and end warfare between them forever. Individuals who partner with persons of the same gender are once again in the front lines, risking their lives for their peoples. The US Review of Books: This story ties up all the loose ends and leaves the reader with closure and satisfaction as they turn the last page, assuring devotees of this tale a pleasing ending. The friendship and affection between these youths is heartwarming, the sweeping action of the battles and combat is breathtaking, and the pacing is rapid-fire and wastes none of the readers time. Kirkus Indie Reviews: The novel convincingly depicts a society in which homosexual relationships are conducted openly with no lessening of public esteem, and Fritsch handles the theme with a no-fuss skill reminiscent of Mary Renault s.
