Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *Egerton Ryerson and Education in Upper Canada* The object of this volume is to give a succinct idea of the nature and history of our Ontario School Legislation. This legislation is so bound up with the name of Egerton Ryerson that to give its history is to relate the work of his life. It would be useless to attempt to show how our school legislation developed under Responsible Government without some understanding of its history previous to the time of Ryerson. I have, therefore, devoted three chapters to a brief account of education in Upper Canada previous to 1844. No attempt has been made to give the history of our schools since Ryerson's retirement, partly because no radical changes have been made, and partly because it would involve criticism of statesmen and teachers who are still actively engaged in work. Nor has any attempt been made to trace the history of University education after 1845. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
