Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Bureau of Cultural Affairs, Tainan City of Government, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: Chinese . Brand New Book ***** Print on Demand *****.Is Dream-eating Beast a monster? Who is Ye Shit-tao? What has he got to do with the Dream-eating beast? The Dream-eating Beast came into existence with the birth of Ye Shit-tao. During his youth, Ye Shi-tao used to play in the Hulu (Gourd) alley. While he was receiving his education, he also read books he liked. During a day when he was seventeen, his dream to be an author was fulfilled -- his writing was accepted for publication. Even after the finance of his family slid downwards, Ye Shit-tao still worked as a teacher to feed his Dream-eating Beast and his family members; although this Dream-eating Beast had caused Ye Shit-tao to go through all kinds of hardships in life, in the mean time it also shone light in the life of Ye Shit-tao, making him an important author and critic in the history of literature of Taiwan. In Looking Back at Taiwan Literature Ye Shit-tau wrote: It goes without saying that an author is like a beast feeding on dreams. How does he know that this Dream-eating beast also has the need of daily bread, and bread is nothing that can be earned by merely dreaming all day? This Dream-eating beast is the dream of Ye Shi-tau as an author, as well as the literature that he loves. Indeed, the Dream-eating beast is the very person himself. This book is the International Edition specifically published by Bureau of Cultural Affairs, Tainan City of Government with EHGBooks POD (print-on-demand) Technology, and the list price will differ from the one printed by the traditional printing house in Taiwan.
