CROSSWAY BOOKS, United Kingdom, 2011. Pamphlet. Book Condition: New. 137 x 89 mm. Language: English . Brand New Book. Life s Ultimate Questions Every human being who has ever lived or will ever live has asked, is asking or will ask four basic questions: Who am I? Why am I here? What is wrong with the world? and How can what is wrong be made right? While we may not say them, it is in the soul of every person to wrestle with these questions. Allow me to answer these questions first from the perspective of our culture and then from the perspective of the Bible. ANSWERS FROM OUR CULTURE Who am I? You are an accident. You are a mistake. You are a glorified ape. You are the result of random evolutionary process. That s it. No rhyme. No reason. No purpose. This is the pathetic reality when evolution runs its full course. If the idea is carried to its logical conclusion, human beings have no value. You are ultimately nothing. Why am I here? You are here to consume and enjoy. That s the only thing that matters. When the famous philanthropist John D. Rockefeller was asked, How much money is enough? he was as honest as any man has ever been. He responded, Just a little bit more. Consume and enjoy--that s why you re here. What is wrong with the world? People are either insufficiently educated or insufficiently governed. That s what s wrong with the world. People either don t know enough, or they re not being watched enough. How can what is wrong be made right?The solution is more education and more government. Teach people more stuff and give them more information. How do we combat AIDS? Through AIDS awareness. How do we combat racism?...
