

A History of Bombing

By Sven Lindqvist, Linda Haverty Rugg

Granta Books. Paperback. Book Condition: new. BRAND NEW, A History of Bombing, Sven Lindqvist, Linda Haverty Rugg, On 1 November 1911, Lieutenant Cavarotti leaned out of the cockpit of his delicate aircraft and, holding a Haasen hand grenade, began one of the most devastating military tactics of the twentieth century: aerial bombing. This is but one of many points of entry Lindqvist presents in this innovative history. Structuring the book in a way that re-enacts the disruptions of history caused by the advent of the bomb, Lindqvist offers his readers a series of ways into and paths through this re-examination of a century of war. He turns his fresh, inquisitive eye and tireless moral sense on the fascinating histories behind the development of air power, bombs and the laws of war and international justice, demonstrating how the practices of two world wars were born of colonial warfare.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
