TALES FROM ISLAND ANIMAL RESCUE: DARK WINGS OVER ANIMAL RESCUE PT. 2

Black Leaf Publishing, United Kingdom, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ****** Print on Demand ******. A little pet dog, with a tortured face and deep virulent slashes on each side of its flanks, is the first victim of some unseen, unknown perpetrator in this second Volume of Animal Island Rescues. Jenny is still working at the Veterinary Surgery as the horror which she encountered in Volume I continues to unfold, albeit in a very different and even more spine-tingling manner. Once again that splendid writer of blood-curdling mystery takes the reader into the realms of the unimaginable as more animals come under attack in a most sinister way, and Jenny becomes more baffled and more frightened. What or who is causing these terrible injuries.and why? Could it be anything to do with the huge vulturous bird-type creature hovering in the sky? And does the fact that on this beautiful island of Alderney stands the remains of a ghastly concentration camp where devious deeds and torturous actions were carried out upon the prisoners, have any bearing on these recent horrific events? The plot thickens as Jenny faces one enigma after another, and a diversity of situations arise to confuse and terrify her, keeping the reader on the edge of the seat until the very last pages. Volume III - Farewell to Animal Rescue - completes this Trilogy of horror and intrigue.
