Upon transfer, an IRM official signs the receipt document, signifying acceptance of custody for the IT equipment. VA medical center property management personnel use information from Recording of IT Equipment the purchase order, including item name, item description, model number, Acquisitions in Inventory manufacturer, vendor, and acquisition cost, to create property record (s) in Records the Automated Equipment Management System Medical Equipment Repair 17 Service (AEMS MERS) for new IT equipment acquisitions. AEMS MERS is a general inventory management system that is local to each VA medical center. Headquarters personnel also use purchase order information to TM enter records of new IT equipment in the Inte-Great Property Manager system. Property management personnel also identify the department responsible for the IT equipment by recording an equipment inventory listing (EIL) code at VA medical centers and a consolidated memorandum receipt (CMR) code at headquarters. Once property records are created, property management personnel generate a bar code label...
